

Assisted Living

OUR STAFF

Our professional, experienced management includes a qualified facility administrator, Licensed Practical Nurse (LPN) and Certified Nursing Assistants (CNA's), housekeeping and dietary staff, plus a full-time director of activities to coordinate recreational and social programs.

OUR SERVICES

We offer a wide array of services including general housekeeping and personal laundry, in addition to a full complement of personal care services including assistance with daily routines of bathing, grooming, dressing, meals and medication management. Our staff also assist with health oversight such as coordination of medical care appointments. A busy daily activities calendar includes everything from movies to day-trips.

OUR ROOMS

All Mayfair Strasburg rooms offer traditional home furnishings, but residents are encouraged to bring a favorite chair or chest. We offer private and semi-private rooms with full baths. In addition, there is an activities room, dining room, exercise room and a lounge/sunroom.

Building features for the handicapped include wide halls with handrails and handicap-equipped bathrooms. Special safety features include fire resistant construction with state-of-the-art features such as automatic sprinkler system throughout, automatic fire detection and alarm systems, 24-hour emergency call system, an emergency lighting system as well as fire, disaster and emergency plans.

OUR FOOD

Our residents enjoy three sit-down meals daily and a snack. These meals are planned by a registered dietitian to make sure everyone gets a tasty, balanced diet. We can also provide most doctor-ordered special diets.

OUR RATES

Mayfair Strasburg rents on a monthly basis with no up-front entry fee requirements, ensuring your assets are available for investment or other options. Our fee structure is simple, based on the level of care your family member needs. A \$500 security deposit is all that is required to reserve the accommodations of your choice.
